The little red trailer

It's like a pickup bed for your bike

- Locally made
- More affordable than other trailers or an extracycle
- Holds up to 80 lbs
- Comes on and off your bike quickly without any tools

The base model has a sturdy frame made of galvanized steel, our trademarked *angle hitch*[™] and a cargo box made of recycled wood designed to carry 4 bags of groceries. The wheels are 12.5" pneumatic spoked wheels. If the wood box is not to your liking I also offer a model with a plastic lockable "round trip" box.

We also offer accessories so you can get just the set-up you want

trailer with recycled material cargo box \$82.85

trailer with plastic cargo box \$114.85

trailer - frame only \$59.85

hitch/u-joint assembly \$25 (if you want to make your own)

accessories:

cover tarp with bungee ties \$20

flag \$18.80

led tail light \$35

pricing does not include sales tax or shipping and handling
